

August 2021

NAVHDA is a nonprofit corporation whose purpose is to foster, promote, and improve the versatile hunting dog breeds in North America; to conserve game by using well trained reliable hunting dogs before and after the shot; and to aid in prevention of cruelty to animals by discouraging nonselective and uncontrolled breeding, which produces unwanted and uncared for dogs.

NCW President Letter

We had a great training day July 24th. I did a demo after lunch on getting started on steadying up a dog. I hope it gave everyone something to work on. It would be a great starting point for you to move onto UT after running NA.

The next training day is Sat., Aug. 14th and it will be our last one for this year. The day will be geared towards the dogs that are testing in our Aug. 27, 28 & 29th test. We will be running a mock test for both NA and UT. Those dogs and handlers will run first in all fields and water sites. Remember we start training day at 7am. Send in your bird orders as soon as possible.

We also need volunteers to help at the August test. Please contact Jill Werner to volunteer.

NCW NAVHDA President
