NAVHDA is a nonprofit corporation whose purpose is to foster, promote, and improve the versatile hunting dog breeds in North America; to conserve game by using well trained reliable hunting dogs before and after the shot; and to aid in prevention of cruelty to animals by discouraging nonselective and uncontrolled breeding, which produces unwanted and uncared for dogs.

From the training table of Brent Catura

I hope everyone is well. Hopefully, we will be back training soon. With the new Covid rules being up in the air we don't have any updates on the use of state land for group training. Remember that individuals may still use the Mead dog training grounds. Board members can help find private training land, as well. Don't hesitate to call any of them. I hope everyone is getting their dogs out.

I will get ducks when I have a few orders. Send your duck orders to me at brcatura@gmail.com. I have some chukars on hand. If you need some just let me know, they are \$10ea. Brian W has pigeons at \$5 each. Please order pigeons online at <https://www.ncwnavhda.org/bird-orders.html>. Brian will then be in contact to arrange pick up. Brian and Brent also have club launchers for rent. Remember that your membership must be up to date to purchase birds or use club equipment.

Stay safe and we will be training together soon.

Important Dates (pending new Covid rules)

Training dates: July 11, July 25, August 22

We also have the Mead grounds reserved for unofficial training dates (*bring your own birds and equipment*) on all Tuesdays beginning at 4PM.

September 18 (set up), 19, 20

Please do not use the fields on set up days.
