

STEADY ON POINT

North American Versatile Hunting Dog Association

NAVHDA is a nonprofit corporation whose purpose is to foster, promote, and improve the versatile hunting dog breeds in North America; to conserve game by using well trained reliable hunting dogs before and after the shot; and to aid in prevention of cruelty to animals by discouraging nonselective and uncontrolled breeding, which produces unwanted and uncared for dogs.

Presidents Message

From the Training Table of Brent Catura...

Training season is getting close. We have a great group of officers and board members to help us have a great training and testing season. We as a chapter are truly fortunate to have so many experienced dog people to help and volunteer their time and talents.

Our New Member Orientation will be at my place (5045 Lone Elm Rd, Junction City) on March 26th at 1pm. It will probably be 2-3 hours, depending on how many questions everyone has.

Then the 1st training day is Saturday, April 2nd, starting at 8am.

Looking forward to seeing everyone at training.

Brent Catura
NCW Pres.

A Note from your Secretary...

Hello! I am Deb Mella and I'm excited to be your new NCW NAVHDA Secretary. I have been involved with NCW NAVHDA since 2011. My husband and I have 3 Deutsch Langhaars and have found dog training to be a hobby (okay lifestyle) that we truly enjoy. Prior to last year I had been the 'training assistant' but when my husband was injured I decided to commit to running our third dog in the Utility Test. What an amazing experience! If you need to contact me - I will be using the same email address as Jill did in the past... NCWNAVHDA@gmail.com

Please contact me with any question you may have regarding membership or training day information.
