

September 2021

NAVHDA is a nonprofit corporation whose purpose is to foster, promote, and improve the versatile hunting dog breeds in North America; to conserve game by using well trained reliable hunting dogs before and after the shot; and to aid in prevention of cruelty to animals by discouraging nonselective and uncontrolled breeding, which produces unwanted and uncared for dogs.

#### NCW President Letter

What a great test weekend we had to finish off our training summer on August 27<sup>th</sup> thru the 29<sup>th</sup>! Big congratulations to all the handlers that tested. Also, a big thank you to all of our volunteers. Everyone pitched in and did a great job.

An out of area judge commented that the lunches were great and he really appreciated it. Which is good to hear.

Again a big thank you to all.

If you couldn't make the event, remember we will do it again next year.

The officers and board members will meet this December to work on next year's training & testing agendas. We will also have our chapter member's annual meeting in January where we will be voting on a couple of open officer and board member positions.

Happy hunting and be safe.

Brent Catura  
President, NCW NAVHDA
